One Time Backup

\$90

Create backup disks on CD-ROM of your valuable data. Technician will create up to 10 CD's of your data for safekeeping in case of a computer crash.

- **Each additional disk for data storage.** **\$20**

Hard Drive Erasure

\$79

Technician will permanently remove all data from your hard drive to ensure privacy when computer is sold or donated.

Cleaning & Maintenance

Computer Cleaning

\$79

Computers need proper maintenance to continue working at optimal performance. Dust inside of a computer is very detrimental to the longevity of your computer. Dust will cause the internal components to overheat and fans to stop working. Overheating is the number one cause of hardware failure in a computer. Our technicians will clean the inside of your computer and inspect / replace any fans not working except for the power supply fan. If the power supply needs replacing, our technicians will quote you a replacement.

Windows Cleaning

\$49

That's right, we do Windows! Sometimes your computer just needs old software removed, temp files deleted and drivers updated. Our technicians will clean out the clutter and optimize your operating system.

Hewlett Packard Printer Maintenance

\$65

An Authorized HP Service Technician will perform routine maintenance and cleaning of your HP printer to ensure top quality printing.

Cellular Services

Nextel SIM Card Copy

\$10

Technology Plus employee will copy addresses from a readable, unlocked Nextel SIM card onto another compatible SIM card.

Nextel IMEI Swap

\$19

Technology Plus employee will transfer phone & account information from one Nextel phone to another on phones provided by customer.

Data Cards

\$35

Install & Configure Sprint or Nextel data card onto laptop.

Fax / Copy

Local Fax

\$1/Page \$3 min.

Nationwide Fax

\$1.50/Page \$6 min.

B&W Copy

\$.50/Page \$1.50 min.

Color Copy

\$.75/Page \$1.50 min.
